Agenda

- Introductions
- YMCI updates
 - YCMI fully staffed
 - 58 youth served- more formal data will be presented in the future

| Referral source | Intervention outcome |
|-------------------------------------|------------------------------------|
| 13 from schools | 21 resolved by phone |
| 19 from home setting | 1 admitted to hospital |
| 2 from hospitals | 7 referred to crisis stabilization |
| Remaining from facilities/providers | 1 arrested |
| | 49 diverted |

- Screening process for response: YMCI or Crisis Stab; referrals from YCMI go to both Crisis Stab and IFC Home Builders if appropriate but formal differentiation needed for YMCI and Crisis Stab
- YMCI still engaging community partners to share YMCI as resource including schools, Kaiser, etc. Presenting at school advisory meeting on Monday 11/6. La Center High in Woodland is in both SWWA and Great Rivers BHO.
- Some schools and hospitals need protocols updated to call YMCI instead of Clark Crisis or 911
- Follow up:
 - 1) Clark Crisis and YMCI follow up on requests coming to Clark from schools and hospitals, including SUD crisis response from hospitals; Clark bring YMCI on dispatches for calls coming to Clark in the meantime (call through Protocall; update procedure for quick pass through)
 - 2) Clark Crisis/Protocall review process of 911 procedures at monthly Crisis Partners meeting for schools calling and getting YMCI involved
 - 3) YMCI and Daybreak meet to review Daybreak crisis stab and E&T as resource
 - 4) YMCI start to create written protocols in roles of responsibilities as processes with other entities are being established
- Others to invite to this meeting: Janus (Brook follow up), Children’s Administration (schedule conflict with leadership meeting; Don follow up), Coordinated Care (Inna follow up), Chief Richardson (Jeff follow up)
- Follow up from previous meeting:
 - Beacon/Crisis providers to figure out how to develop a list of high utilizers and to develop interventions
 - o Inna working on report with threshold set at 1) 3 contacts per month, distinct days 2) any 3 months in a rolling 6 month period that meets criteria for #1
 - Denise to find out mechanism for automatic 911 alert to district
 - o Denise provide update next month
 - Revisit conversation with Oak Bridge about collaborating with youth mobile crisis team for “respite” and introduce YMCI as a resource

- No response from Janus yet, YCMI has been introduced to them in another presentation. Brook working on meeting with them and will invite to YMCI
